African American Autobiography: A Collection of Critical ...

2018 Spring. Autobiography has an important place in the canon of African American literature, as authors present in their own words what time, circumstance and history have made of them and reveal to readers “life within the veil” in a country where we struggle to come to terms with “the color line.”. From the earliest slave narratives to Barack Obama’s Dreams of My Father and beyond, African American authors have constructed a sense of self, expressed their politics and ...
