Oh Dear Lord am I ever loving D.N. Hoxa's Winter Wayne series and now, in Bone Magic (Book 3) things just keep on ratcheting up for our poor heroine (so superbly drawn with her super enjoyable complexities, quirks and flaws). No time for setting down after finding her near dead love Julian on the floor of her office.

I really enjoyed reading this book by D.N Hoxa, this story is about Winter who is a Bone Witch but without the powers. Hoxa seems to specialize in tough, gritty heroines and Winter Wayne is no exception. With this book the reader gets a slightly different slant on a paranormal where where paranormals live cheek by jowl with humans. FYI don't expect a love happily ever after ending because you won't get one here.

Bone Witch Publisher's Summary My name is Winter Wayne, and I'm a Bone witch - minus the magic. I used to work in the only place in Manhattan that had use for a witch with very little magic - like me - until my boss kicked me out over a job gone bad (not my fault, I swear). Pure boredom and the lack of company got to my head fast.
