### Down The Shore A Novel

"It is the exceptional coming-of-age novel that shows us the truth not only about its hero's maturation, but about the singular age into which he is maturing. Down the Shore is an intimate portrait of a young man, and a sweeping story of the daunting age of global finance. Stan Parish's debut is raw, elegant, incisive, and above all, wise."

Driven by a cast of young men and women living in an age of riotous prosperity, Down the Shore is an unflinching and unforgettable story of youth steeped in excess. Stan Parish has crafted a gripping novel that masterfully captures the lives of fallen financiers and the people they bring down with them—and reminds us that not even an ocean can separate us from our family, our friends, or our past.

the reason that i gave this book 3 stars instead of just two is that i grew up in new jersey, and enjoyed going 'down the shore' in the summer. also, my husband and i went to a very enjoyable elderhostel in march in cape may. putting one's relative--seven of them--up in a b&b for a 'family reunion' is an interesting idea. when one of them has the big bucks, it is not surprising that she ends ...
