ENTREPRENEURSHIP: the Art, Science, and Process for ...

Entrepreneurship is a mix of art and science — there's almost no getting around it, if what you're seeking is sustainable success. I love the perspective of the Italian saying you mentioned, that the entrepreneur feels the business in his stomach before he/she makes plans to act. That's a great way to look at it!

Is Entrepreneurship Art Or Science? - Company Founder

So, it can be said that Entrepreneurship is both an art and a science. Art is an occupation that needs both knowledge and skilled traits, and science is a process for systematized knowledge. Both art and science are essential to creating sustainable and prosperous business entities. Business is as much art as science.
