

to the Klein-Gordon equation: I don't understand how to ...

**Newest 'fourier-transform' Questions - Physics Stack Exchange**

Differential equations - Fourier transforms Show transcribed image text (a) Using the fact that the Laplace transform of  $x^{-1/2}$  is  $\gamma(1/2)p^{-1/2}$ , or otherwise, show that both the Fourier cosine and the Fourier sine transforms of  $x^{-1/2}$  equal...
