French Wine A History

The history of French wine, spans a period of at least 2600 years dating to the founding of Massalia in the 6th century BC by Phocaeans with the possibility that viticulture existed much earlier. The Romans did much to spread viticulture across the land they knew as Gaul, encouraging the planting of vines in areas that would become the well known wine regions of Bordeaux, Burgundy, Alsace, Champagne, Languedoc, Loire Valley and the Rhone. Over the course of its history, the French wine industry

History of French wine - Wikipedia

French Wine is the first synthetic history of wine in France: from Etruscan, Greek, and Roman imports and the adoption of wine by beer-drinking Gauls to its present status within the global marketplace. Rod Phillips places the history of grape growing and winemaking in each of the country's major regions within broad historical and cultural contexts.
