by Joel Marion. March 7, 2017. in Lifestyle. Leave a Comment. For those not familiar with the term, your “bucket” represents your mental and emotional self. Of course, you want your bucket to be full, even overflowing. When it is, you feel fulfilled and happy; you’re calm, pleasant, patient and friendly. You’re more likely to fill the buckets of others, because your bucket is full yourself (key lesson: you can’t make an impact and fill others’ buckets when your bucket is empty).
