Most investment real estate properties generate regular income through rent payments. An oft-used investment rule of thumb is the 2% rule, i.e., monthly rent should equal at least 2% of market value. A single-family home selling at \$200,000 could generate a rental payment of \$1,8,000 to \$2,200 monthly.

What Type of Real Estate Property Should You Invest In ...

Real estate investing for the beginner can really be as conceptually simple as playing Monopoly once you understand the basic factors of the investment, economics, and risk. To win, you buy properties, avoid bankruptcy, and generate rent so that you can buy even more properties. However, keep in mind that "simple" doesn't mean "easy."
