Linksys DMA2200 Media Center Extender User Manual

Firmware for the DMA2200 has specifically written to counter the region hack. Any changing of the region coding results in disablement of the DVD player and Media Center Extender functions rendering the device for service (not covered under warranty repair). Meaning the DVD player hardware and the MCX access codes are hard-coded to the motherboard.

Linksys DMA2200 - Linksys Community

Just installed the DMA2100 extender and it freezes after about 5 minutes. I can get this to happen even from the First Menu just toggling between the 2 Main Menu options (Media Center and Setup). This will also happen when the unit is not connected to the computer (computer turned off). I am hi...
