Minding Justice Laws That Deprive

Minding Justice offers a comprehensive examination of the laws governing the punishment, detention, and protection of people with mental disabilities. Using famous cases such as those of John Hinckley, Andrea Yates, and Theodore Kaczynski, the book analyzes the insanity defense and related doctrines, the role of mental disability in sentencing, the laws that authorize commitment of "sexual predators" and others thought to be a threat to society, and the rules that restrict participation of ...

Section 241 makes it unlawful for two or more persons to agree together to injure, threaten, or intimidate a person in any state, territory or district in the free exercise or enjoyment of any right or privilege secured to him/her by the Constitution or the laws of the United States, (or because of his/her having exercised the same). Unlike most conspiracy statutes, Section 241 does not require that one of the conspirators commit an overt act prior to the conspiracy becoming a crime.

Conspiracy Against Rights - U.S. Department of Justice

"In this new interpretation of a significant but neglected area of jurisprudence, a leading authority in mental health law provides innovative, normatively and pragmatically justified solutions to enduring problems associated with criminal responsibility, the protection of society from dangerous individuals, and the concept of autonomy.
