In Mindset, Dweck writes: There's another mindset in which these traits are not simply a hand you're dealt and have to live with, always trying to convince yourself and others that you have a royal flush when you're secretly worried it's a pair of tens. In this mindset, the hand you're dealt is just the starting point for development.

Carol Dweck: A Summary of The Two Mindsets

Carol Dweck's book is grounded in solid psychology and insightful research. This book comes as a challenge which will leave you wanting to develop the growth mindset though you might have the typical British criticism to anything like this. Even Bill Gates has got this book down in his top five of 2015.
