### 10 Most Interesting Immigration Movies Of All Time

Film has been an important medium for expressing and sharing identity in diasporic communities, and for reaching out to a wider audience. It can convey a sense of the displacement, racism and stigmatisation experienced by migrants, and the tensions within families who are globally dispersed or trying to establish themselves in new locations.

### Moving People Changing Places - Migration in Film

Film experts and historians say no. Many early films made inside and outside of Hollywood were made for newcomers to the United States, living in cities that were dominated by first- and second-generation immigrants.

### Immigrants in the Film Industry — IDEAL Immigration

This film by director / writer, Joan Micklin Silver, is a fine portrayal of Jewish immigrants to New York in the late 19th century. The struggle with language, and the tension between assimilation and tradition are palpable and impossible for some relationships to survive. Based on Abraham Cahan's 1896 novella, Yekl: A Tale of the New York Ghetto.

### Immigration in the Movies - MurthyDotCom

Viewers first meet Jose and Maria, who migrate to the U.S. and settle in East L.A., where they start their family. As the film progresses, Jose and Maria's children come of age and have children of their own. We see how an immigrant family can set down roots, grow and become part of the "American Dream." 5. The Perez Family
