### No Full Stops In India

India is such a long winding and unending story by itself that there can not be a full stop to it. A full stop in itself signifies end of a line or a paragraph or a story. A country like India can never have a full stop, it can at the best have some commas coming and going in its saga of deep rooted values.

Prime Minister Giuseppe Conte reacted frostily to the event, saying: "More than 274,000 ill and 35,000 dead. Full stop." India has eased restrictions in a bid to revive the economy but faces the world's fastest growing number of cases at more than 80,000 a day and the highest daily death toll at more than 1,000. The death toll now stands at 69,561.
