Read PDF Production Design And Art Direction Screencraft Series

In a large organization, an art director may oversee other art directors and a team of junior designers, image developers, and/or production artists, and coordinates with a separate production department. In a smaller organization, the art director may fill all these roles, including oversight of printing and other production.

Art director - Wikipedia

Art direction and production design often overlap, although credit for production design is seen as more inclusive. During the studio era, production designers, as opposed to art directors, were the exception. The production designer's primary, though by no means exclusive, responsibility is the design of the sets.
