To this end, second language writing
should be integrated throughout the
professional preparation and
development programs of all writing
teachers, whether that be through a
practicum experience, WAC workshops,
ESL support services, writing center
training, or other campus initiatives. If
case studies are used as a methodology,
for example, teachers in training might
also conduct case studies with second
language writers.

Second-Language Writing in the Composition Classroom: A ...

Writing from research has considerable rhetorical advantages. Academic readers feel more confident about research-based writing: since the information comes from someplace else, there is a strong chance that it was verified before it was published, and if a reader is in doubt, they can find the original source(s) and confirm it themselves.
