[MOBI] Standard For Program Management 2nd Edition

The second edition is much better than the first edition we have to admit! But still falls short on lots of important aspects of program management. Just like the PMBoK although this is meant as a standard, but it really just a framework!

The Standard for Program Management by Project Management ...

It is principle-based, making it a powerful tool for a broad range of organizations, regardless of project delivery approach. The Standard for Program Management – Fourth Edition provides clear, complete, relevant information generally recognized as good practices for most programs, most of the time. It's an invaluable tool for anyone who works with programs, from
