Through this interactive exhibit, Stanford 2025 generated four possible future paths for higher education: Open Loop University, Paced Education, Axis Flip, and Purpose Learning. Each possible future was accompanied by an introductory video and a breakdown of the changes and projected benefits.

Stanford 2025: Time Traveling for Better Design

The original Stanford 2025 project responded to a specific moment of disruption: the growing popularity of MOOCs and online learning, and the rising cost of higher ed. We saw then that a number of forces were beginning to destabilize traditional models. It is in such moments that change often happens—even within an entrenched system.
