### Stoller's Orthopaedics and Sports Medicine: The Hip

His Atlas of Orthopaedic Sports Medicine unfortunately also had many labeling errors and anatomic errors. Also there are many minor errors on the diagrams. I found it to be rather sloppy and disappointing for a detail oriented clinician. It became obvious to me that Dr Stoller is a radiologist and not an orthopedist.

### Magnetic Resonance Imaging in Orthopaedics and Sports ...

Avicenna, the famous Iranian physician, dedicated several chapters of his medical textbook (Ghanun of medicine) to sports medicine (981 - 1037 AD). However in modern medicine it is only one decade that a four year sports and exercise medicine (SEM) specialty program has been offered in Iran.
